WREX

my plan for Wrexham

1 Working with local businesses to ensure we get the investment our high streets deserve.

2 Getting our share of the 20000 new police officers to help cut crime.

3 Use my experience as a former nurse to hold Welsh Labour to account.

4 Building more homes whilst protecting our green spaces

5 Getting Brexit done so that we can focus on local issues

6 More jobs ensuring we get our fair share of the extra £1bn invested in North Wales
