15 January 2022

**Aldi Llay Construction update: Gresford Road highways works**

Dear neighbour,

I am writing to provide you with an update regarding the construction of Aldi's new store in Llay and the associated highways works on Gresford Road. These works are scheduled to start on Monday 17<sup>th</sup> January 2022 and will last for a period of five days.

Due to the busy nature of the Crown Crossroads junction, we are, unfortunately, unable to install temporary traffic lights to undertake these works. As a result, Gresford Road will be closed to the majority of traffic but will remain open for residents' access during construction hours for a period of five days from Monday 17<sup>th</sup> January 2022. However, the works to be undertaken from Monday to Thursday will be minimal meaning that our on-site team will ensure that the road remains open for immediate residents, school buses, bin wagons and emergency vehicles.

The road will be re-opened to residents only during the evenings outside of construction hours. All Traffic Management equipment will be moved to then side of the carriageway.

We have endeavoured to keep this disturbance to a minimum, however on Friday 21 January 2022 there will be a period of four to five hours for resurfacing when the road will be impassable. During this short period, our on-site contractors will work with residents to accommodate travel where possible.

We are committed to being a responsible neighbour and we will continue to work closely with local residents to ensure that this disturbance is kept to a minimum.

If you have any queries, questions or concerns about the construction process, please contact my colleague, Tom Andrews at our community engagement consultants, BECG, on the Freephone enquiry line number **0800 298 7040**, or email [feedback@consultation-online.co.uk](mailto:feedback@consultation-online.co.uk).

Yours sincerely,

Bryn Richards
